## Influencing Policy

Working in a bi-partisan fashion, the TelePAC Committee seeks to support individuals who know the value of community based, locally operated broadband providers and are running for the Iowa Legislature. These legislators and candidates rely on open lines of communication with their provider's leadership team to develop an understanding of broadband policy. Most importantly these individuals are fierce advocates year-round, and especially during the Legislative Session.

## CONTRIBUTED \$35K IN 2025:

97% ▶ Election Rate by TelePAC Supported

77% ▶ Majority Party      Minority Party ▶ 23%

55% ▶ House      45% ▶ Senate

Know a candidate or legislator who fits this description?

Let ICA know so we can include them in our 2026 contribution strategy!

David Byers (NEIT), Senator Klimesh, Steve Hanson (NEIT)

Representative Grassley, Ethan Kleitsch (Readlyn Communications) Dave Duncan (ICA), Ethan Pitt (IADG)

## Who are TelePAC Supporters?

Because TelePAC relies so heavily on individuals to make the PAC a success, a special thanks goes out to all who have contributed. A few ICA member companies go above and beyond.
